| | |
|---|--|
| | <ul style="list-style-type: none"> • Current and Former Business Customers and Clients — Personal Information collected, processed, or disclosed in connection with business products are not covered by CCPA • Current and Former Applicants, Employees or Contractors— Personal information collected, processed or disclosed in connection with applications, employment or contracting are not covered by CCPA. |
| How do I submit a CCPA Request? | Go to the link www.wefitec.com/privacy-security link and select the California CCPA Request Form, or call us at 720/750-6577 Monday through Friday from 9 AM – 5 PM MT |
| Can I submit a CCPA request if I’m not a customer? | Yes, you are not required to be a customer to make a request. |
| What if I submit a request and am not a California resident or am not covered by the CCPA? | We respond to all requests. Our responses are tailored based on your relationship with us and whether you are covered by the CCPA. If you are a customer/client, you can access, update or change your personal information, report fraudulent activity, or inquire about other services through your online account, or calling us at 720/750-6577. You may also update your privacy choices to limit direct marketing and the sharing of your personal information by calling 720/750-6577 or by visiting www.wefitec.com/privacy-security . |
| What information is needed from me to submit a CCPA request? | You’ll need to provide your name, address and email if you want us to respond to you by email. We may ask for additional information to verify your identity. |
| What happens after I submit a CCPA request? | At the time of online submission, we will provide you a reference number as confirmation that your request was received. For all submissions, we will respond to your request within 10 days and/or no later than 45 days. Should your request require more time to complete, we will contact you with an explanation and next steps. |
| Can I submit a request on behalf of someone else? | Yes, you can submit a request on behalf of another person if you are an authorized agent, guardian or have a Power of Attorney. We will reach out to you and to the person for whom you are making a request with additional instructions within 10 days. |
| I’ve misplaced my CCPA reference number. Where do I go to find it? | Your reference number will be included with your CCPA response. You can email operations@wefitec.com or write to us at Service Inquiries–5299 DTC Blvd., Suite 720, Greenwood Village, CO 80111. |
| What personal information of mine will you keep as a | We’ll retain your name, address, e-mail if provided and our response as evidence that we received your request and acted on it. |

| | |
|---|--|
| <p>result of my CCPA request?</p> | |
| <p>How do you authenticate my request?</p> | <p>Based on the information you provide in your request, we will attempt to identify you in our systems and/or by using a third party identification process. If we are unable to identify you based on the information you provided, we will respond back accordingly. In some instances we may need additional information from you to complete our authentication process. In those cases, we will provide you with the steps to complete the authentication process.</p> |
| <p>How do I receive my CCPA Response?</p> | <p>You'll receive your CCPA response either electronically or by U.S. mail, whichever method of CCPA response? delivery you chose when you submitted your request. There may be instances when the information we send requires using a secure email message from us. Secure email requires you to create a user id and password. The login information is only stored for 90 days and only to allow access to your secure email messages where you can attach documents and send information.</p> |
| <p>What can I expect to see in my CCPA Response</p> | <p>If you are covered by the CCPA, you can expect to receive the categories of personal information we have collected, sources of the information and how that information was shared in the past 12 months. For additional pieces of personal information, respond to the initial CCPA response. Note: Our response will not include information that would present a security risk. For example, we will not provide Social Security Numbers or Account Numbers. We also will not share any information that would adversely affect the privacy rights of others. If you are not covered by the CCPA, we will respond and direct you to other applicable Privacy Notices.</p> |
| <p>I didn't get what I expected in my CCPA response. Can I make another request?</p> | <p>You can send a follow-up request via email at operations@wefitec.com or write to us at Service Inquiries-5299 DTC Blvd., Suite 720, Greenwood Village, CO 80111.</p> |
| <p>I don't understand the response to my CCPA request. How can I ask questions?</p> | <p>In the follow-up request, you should include the reasons why you believe the response was incomplete or ask your follow up question(s). You can also review these FAQs for information regarding how we respond to requests.</p> |
| <p>Why was my CCPA request denied?</p> | <p>Our response to your request should tell you why your request was denied. Examples of why we denied your request include but are not limited to:</p> <ul style="list-style-type: none"> • You are not covered by the CCPA • We may not be able to verify your identity • The personal information requested is not subject to the CCPA's know/access or deletion rights |
| <p>I submitted a request to know/access my info, and now I'd like to request to delete</p> | <p>You can submit another request and ask that your information be deleted.</p> |

| | |
|---|--|
| my info. How do I do that? | |
| My CCPA response stated that you were unable to verify my identity. What does that mean? | We may not have been able to verify your identity if the information you provided for verification didn't match what we have on file, or we were unable to identify you based on a third-party identification process. |
| How does WeFi Technology keep my information safe? | Keeping personal information secure is one of our most important priorities. Consistent with our obligations under applicable laws and regulations, we maintain physical, technical, electronic, procedural and organizational safeguards and security measures that are designed to protect personal data against accidental, unlawful, or unauthorized destruction, loss, alteration, disclosure, or access, whether it is processed by us or elsewhere. Please note that information you send to us electronically may not be secure when it's transmitted to us. We recommend that you only use secure channels to communicate sensitive or confidential info (such as your Social Security number) to us. |
| What does WeFi Technology do with my personal info? | Your privacy is important to us, and we take our responsibility to protect the privacy and confidentiality of your information, including personal information, very seriously. Our online privacy policies explain how we collect, share, use, and protect information when you go to or use our online services. Other privacy policies could apply depending on how you interact with us, the financial products or services you have with us, or the jurisdiction in which we are doing business with you. To learn more about our privacy practices, please go www.wefitec.com/privacy-security . |
